ELIS-SEIS - Chapt 4 (2ndDraft) EPA comments September 2015.pdf  
ELIS-SEIS - Chapt 5 (2nd Draft) EPA comments September 2015 .pdf

Hi Bernward,

The documents attached include comments and interagency discussion, so they should not be used or copied into the final document since they have preliminary agency discussion.

Anyway, please respond to the comments in these documents however.

I would be happy to walk through the comments and discuss which ones to address if you would like.

There were no further comments on Chapter 8.

Good job.

Thanks, jeannie
